CPD Overview

As the UK's largest wood composite manufacturer, our mission is to offer aesthetically pleasing, long-lasting capped composite products as a superior alternative to imported products and wood.

What Makes Alvic Plastics unique?

What Products do we Offer?

- Capped composite decking
- Fire-rated PVC decking
- Capped composite fencing
- Capped composite cladding
- Fire-rated PVC cladding
- Bespoke products such as our Eco PVC hoarding

If none of our off-the-shelf items suits your needs, let our experts utilize their tools and expertise to create any masterpiece you envisage!
