CPD Overview

NYMAS Group is a specialist provider of design-led washroom accessories, sanitaryware and Doc M packs that enhance experiences and provide dignified, inclusive spaces for every body.

INNOVATION

Our distinctive brand family – NymaPRO, NymaCARE, NymaSTYLE and Fitzroy of London – delivers on safety, dignity and aesthetics.

Our brands cater for all levels of need in the accessible washrooms space, from private residential installations, to avant-garde bathroom designs in deluxe hospitality venues. Our passion for innovation means we're always looking for ways to make the built environment more inclusive, by developing design-led, versatile solutions that integrate seamlessly into any interior.

CONSULTANCY

We're more than just a supplier – NYMAS Group also offers design consultancy services, providing guidance and peace of mind for professionals who are passionate about creating compliant spaces.

With more than two decades of expertise in Doc M as well as international compliance, we bring profound knowledge and understanding to every accessible washroom project. Our experts are on hand to offer design, compliance and installation support throughout your NYMAS journey.
