CPD Overview

Available CPD Material (1)

Specifying Cubicles and Lockers for Sports Venues, Gyms, Hotels, Spas and Leisure Centres

This seminar covers the specification of cubicles and lockers for sports venues and leisure centres. It will help you to understand the following topics:

- The cubicle types and design options available and how to choose the correct panel materials and performance characteristics
- The specialist fixings used in leisure and sports venue cubicles and lockers
- Locker and plinth and accessible locker configurations
- The key features and benefits of full height, anti-peep, suspended, framed and un-framed cubicles
- The benefits of specifying glass cubicles and lockers for high end finishes

Material type: Seminar

RIBA Core Curriculum: **Design, construction and technology**

Knowledge level: General Awareness
